

Fall is here. The leaves are turning red and gold. Sumptuous Thanksgiving dinner can't be far away!

There are homeless, hungry people right here in Meridian who won't sit down to a beautiful meal. They need our help. Won't you donate a few dollars to the Mediator Food Bank so we can buy food, or bring dry and canned goods to the Parish Hall, to prepare care boxes for those who come to our church office seeking help? The need is urgent. Hunger is here.

Respectfully from the Mediator Food Bank Committee
